# REALWEAR MOUNTING SOLUTIONS

Get the most from your RealWear device with mounts, straps, clips, and hard hats so you always find the right fit.

SKU: 127125

## WORKBAND 2 NEW

### For RealWear Navigator™ 500 Series and HMT-1

New slimmer, lighter weight band, that provides a secure mount and comfortable fit when hard hats are not required. Designed for comfort and fit for full-shift use.

## WORKBAND

### For RealWear Navigator™ 500 Series and HMT-1

Suitable for environments that do not require head cover or hard hats. The Workband has built in tall clips that easily and securely attach to the device. The rear adjustable strap extends and expands to fit most head sizes. Its wide forehead creates the perfect amount of surface area for outstanding device stability.

#### Features and Benefits:

- High quality structured headband provides secure mount
- Adjustable Velcro back, one-size-fits-most (53cm-63cm)
- Built in clips for easy attachment
- Reflective logos for visibility
- Machine washable after removing plastic clip band

SKU: 171200

SKU: 127104

## REALWEAR BALL CAP WITH MOUNTS NEW

### For RealWear Navigator™ 500 Series and HMT-1

These purpose-built ball caps are designed with special mounting clips for select RealWear devices. Each cap is designed for maximum comfort, balance, and visibility and contains a semi-flexible inner band and clips. The cap's brim is ideal for sunny locations without occluding the adjustable high-resolution camera.

- High-quality
- Lightweight / Durable / Smooth
- Adjustable Velcro back
- Brim designed for full camera visibility
- Built-in clips and inner band

## BUMP CAP

### For RealWear Navigator™ 500 Series and HMT-1

Suitable for environments that require head cover but do not require hard hats. The short brim also provides shade without interfering with the device.

NOTE: The Bump Cap requires the triband strap for mounting

Standard  
SKU: 171034

Extra Large  
SKU: 171095

SKU: 171035-A

## FLEXBAND

### 3-POINT SILICONE BAND WITH CHINSTRAP FOR CLEAN ROOMS

### For RealWear Navigator™ 500 and HMT-1

Designed for use in clean room environments including biopharma, textile mills and other use cases. The flexband is a non-shedding solution. Product color may vary.

## OVERHEAD STRAP (6-PACK)

**For HMT-1 and HMT-1Z1.  
Intrinsically safe (IS approved)  
for use with the HMT-1Z1 in  
hazardous locations.**

Strap is worn with the device when a hard hat, bump cap, or Tri-Band Strap is not used. With regular use, wear and tear of the strap is normal and it is designed to be replaced periodically.

SKU: 127100

## TRI-BAND STRAP

NEW

**For RealWear Navigator™  
500 Series and HMT-1**

The Tri-Band Strap supports greater maneuverability and mobility and ensures superior fit and positioning of the device over a wider range of helmet and bump cap shapes. The Tri-Band Strap replaces the standard overhead Strap for a more secure fit.

## TRI-BAND STRAP IS

**For HMT-1Z1. Inherently safe (IS approved) for use with the HMT-1Z1 in hazardous locations. Needed to mount the HMT-1 when wearing a bump cap or baseball cap.**

Supports greater maneuverability and mobility and ensures superior fit and positioning of the device over a wider range of head sizes and shapes. The Tri-Band Strap replaces the standard overhead Strap for a more secure fit.

**SKU: 171033**

**SKU: 171056**

## MSA V-GARD® FRONT BRIM HARD HAT WITH REALWEAR LOGO

**For RealWear Navigator™ 500 Series, HMT-1 and HMT-1Z1. Inherently safe (IS approved) for use with the HMT-1Z1 in hazardous locations.**

Standard size MSA hard hat with Fas-Trac® III suspension and ratchet adjustment. White with black RealWear logo.

Hard Hat Clips sold separately

## HARD HAT CLIPS FOR MSA FRONT BRIM

NEW

### For RealWear Navigator™ 500 Series and HMT-1

Hard Hat Clips are custom designed to secure specific RealWear devices to MSA Front Brim hard hat.

They clip into the hard hat accessory slots. Order the correct clips for the hard hats in use.

(3pk) SKU: 127120  
(50pk) SKU: 171050

## HARD HAT CLIPS FOR HONEYWELL NORTH ZONE FRONT BRIM

NEW

### For RealWear Navigator™ 500 Series and HMT-1

Hard Hat Clips are custom designed to secure specific RealWear devices to Honeywell North Zone Front Brim hard hat.

They clip into the hard hat accessory slots. Order the correct clips for the hard hats in use.

171028	UK
171029	Australia

SKU: 171016

## USB TYPE-C CHARGING CABLE

For RealWear Navigator™ 500 Series and HMT-1

USB Type-C cable for charging the device needed if there are multiple charging locations (eg. office, workstation, tool crib, service vehicle). They also minimize downtime in case a charger is ever misplaced.

\*Includes a Micro-USB adapter for data transfer.

## USB CABLE WITH CHARGING PROTECTION

**Compatible with the HMT-1Z1 but not Intrinsically Safe. Can be used with the HMT-1Z1 outside of hazardous locations.**

The USB Cable with Charging Protection is an extra Micro-USB cable for data transfer and charging. The cable includes a safety box that protects the devices' safety circuits from power surges that can damage and may occur when connecting the HMT1-Z1 to computers, wall chargers, car chargers, and other power sources. It is the only cable approved for charging and for moving files to and from the HMT-1Z1.

SKU: 127107

## SINGLE BATTERY CHARGER

NEW

**For RealWear Navigator™ 500 Series**

Charge a spare battery for your RealWear Navigator™ 500 Series device.

## 4X MULTI-BATTERY CHARGER

NEW

### For RealWear Navigator™ 500 Series

Stay up and running by charging up to 4 batteries at the same time.

SKU: 127106

SKU: 127108

## SINGLE BATTERY PACK

NEW

### For RealWear Navigator™ 500 Series

Keep working with a spare battery for your RealWear Navigator™ 500 Series device.

## SINGLE BATTERY

### For HMT-1®

Extra lithium-ion battery for the HMT-1. Batteries can be swapped in the field to extend operating time and minimize downtime.

SKU: HMT-1 171010

SKU: 171014

## SPARE BATTERY (6-PACK)

### For HMT-1®

Extra lithium-ion batteries for the HMT-1. Batteries can be swapped in the field to extend operating time and minimize downtime and cover extra shifts.

## 6 BATTERY MULTI-CHARGER

### For HMT-1 only

Simultaneously charges 6 HMT-1 batteries and ensures fully charged batteries are available at the start of each shift. The charge level of each battery is shown on a high visibility backlit display, so battery levels can be determined at a glance. Ships with all 5 regional power adapters. Shown with batteries, not included.

SKU: 171013

SKU: 170001

## BATTERY CAP WITH O-RING

### For HMT-1 only

Replacement battery cap for HMT-1.

# REALWEAR AUDIO ACCESSORIES

Get the most from your RealWear device with audio accessories that help you reduce noise and communicate even in noisy environments.

## PROBUDS IS HEARING PROTECTION HEADPHONES NEW

**For RealWear Navigator™ 500 Series, HMT-1 and HMT-1Z1. Intrinsically safe (IS certified) when used with the HMT-1Z1.**

Listen to audio while protecting hearing in high noise environments. Comes with replaceable medium foam tips made of premium memory foam and are 33dB NRR (Noise Reduction Rated). Provides privacy and optimal experience when using remote video applications. Designed with a custom cable length and right-angle connector. Comes with a pair of medium foam tips; other sizes are available separately.

### EAR BUD FOAM TIPS

**SKU: 171058**

## **WIND NOISE FILTERS**

**(3 PAIR PACK)**

### **For RealWear Navigator™ 500 series, HMT-1 and HMT 1-Z1**

Designed to minimize audible wind noise in the RealWear Navigator™ 500 Series, HMT-1 and HMT-1Z1. Reduces low frequency 'bass', often described as rumble. Helps to improve the clarity of the recording, accuracy of the voice recognition system in windy environments, thereby extending functionality into more environments.

# REALWEAR CAMERA ACCESSORIES

Get the most from your device with camera accessories that expand your capabilities.

## CAMERA PORT COVER **NEW**

### For RealWear Navigator™ 500 Series

Cover for camera port for use in environments where cameras are not allowed

**Coming Soon**

**SKU: 127122**

**SKU: 171009**

## **CAMERA PRIVACY STICKERS (6-PACK)**

### **For HMT-1®**

Cameras are not authorized for use in certain environments. This new solution is a great alternative solution to our camera cover 3D reference design download.

Reflective vinyl sticker designed to fully cover the camera lens as required for privacy compliance. Adheres securely onto the camera lens while allowing use of the built-in flashlight\*

\*Sold by the sheet containing 6 stickers.

# REALWEAR CONNECTIVITY ACCESSORIES

Get the most from your RealWear devices with accessories that help you stay connected even when not in Wi-Fi range.

## MINI LTE MODEM & MOUNT REALWEAR NAVIGATOR™ 500 SERIES

### For RealWear Navigator™ 500 Series

The Mini LTE Modem is a sleek, custom designed 4G modem that plugs into the USB-C port and mounts onto the device frame with the enclosed strap. With a Nano SIM card (not included), users can connect to cellular internet in places without Wi-Fi.

#### Features/Benefits:

- Provides the user cellular access in remote areas
- IP66 dust and rain protection
- Specifically designed form factor for sleek integration with RealWear products.
- Nano SIM card connects you to secure, reliable internet.
- Sleek, modern design integrates aesthetically with your device.
- Custom length USB-C cable reduces snag risk while in use.

**SKU: 127136**

## LTE 4G MODEM (ZTE) W/ CABLE & MOUNT\*

### For HMT-1 Only

Creates 4G cellular connection, plugs into the micro-USB port, and uses a Micro-SIM card (not included). Works with multiple regional cellular networks.

### Features and Benefits:

- 4G connection to information, enabling off-network productivity and collaboration.
- Front cover slides off to reveal Micro-SIM card slot.
- Global frequency band covers more than 100 countries and regions.
- Indicator light shows network connection status.
- Plastic Side Mount connects modem to HMT via micro-USB cable.

### Technical Specs:

- Supported Bands LTE-FDD B1/2/3/4/5/7/8/12&B17/20, UMTS B1/2/4/5/8, GSM 850/900/1800/1900.
- Qualcomm MDM9X07 chipset, 1.2 GHz. 3FF SIM, 3V SIM card and 1.8V SIM card. Memory (SDRAM/NAND): 128MBytes/256Mbytes. Micro SDHC, 2G~32GByte Capacity, SD 2.0 Class 6.
- RF chipset WTR2955, 4G LTE Download Speed to 150Mbps and upload speed to 50Mbps (Category 4), Internal antenna.
- Supports Windows 10, Mac OS, Linux, Android. GPRS class B. Modem uses Micro-SIM Card.
- ZTE MF833V 4G LTE Mobile USB Modem Dongle.

### Product Contents:

- ZTE 4G Modem
- HMT side mount
- USB to micro-USB cable
- USB to USB-C cable
- Note: Micro-SIM not included.

\*Sold as a kit made of multiple components

SKU: 173004

## LTE 4G MODEM (JACS) WITH CABLE & MOUNT

### For HMT-1 Only

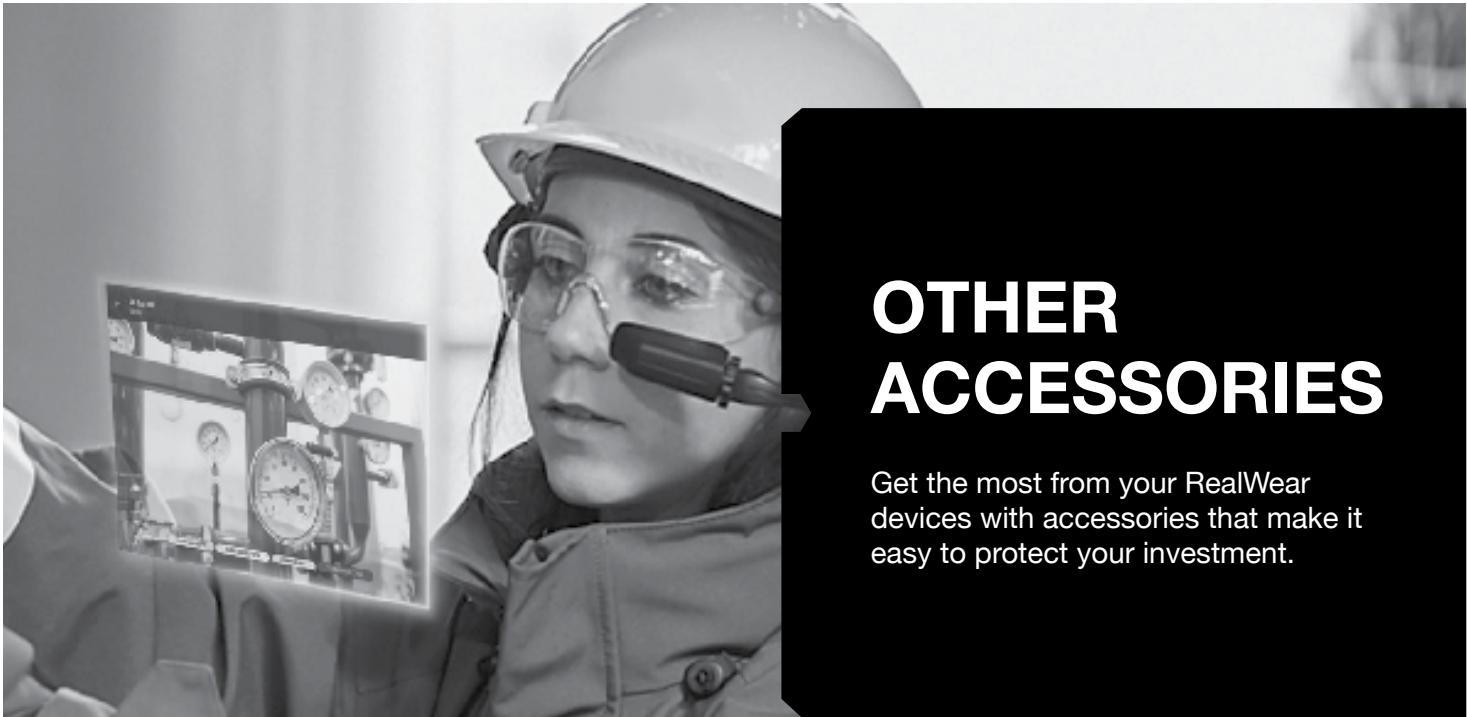

Stay connected to the internet even in areas without Wi-Fi using LTE (Nano SIM not included)

The LTE Modem is an accessory for the HMT-1 that creates a 4G cellular link. The Modem attaches securely to the HMT battery-side and connects via micro-USB or USB-C (compatible with model T1100G and T1200G via a cable pack that includes adapters.) Using a Micro-SIM card (not included), a customer can access multiple regional cellular networks.

**SKU: 173005**

### Modem Details

- Modem does NOT work on all carriers. Check your local network. Some Verizon, Sprint, Net10, or any CDMA Carriers are not compatible.
- Supported Bands LTE-FDD B1/2/3/4/5/7/8/12/14/17/20/66, LTE-TDD: B38/39/40/41, HSPA B1/2/4/5/8, GSM 850/900/1800/1900
- SIM 4FF, Nano-SIM
- MicroSD YES, 32GB
- Qualcomm MDM 9X07 chipset: 128MBytes/256Mbytes.
- 4G LTE Download Speed to 150Mbps and upload speed to 50Mbps
- Supports Windows 10, Mac OS, Linux, Android. GPRS class B. Modem uses Micro-SIM Card.
- (See manufacturer website for additional carrier and compatibility details.)

# OTHER ACCESSORIES

Get the most from your RealWear devices with accessories that make it easy to protect your investment.

## FOLDING BLUETOOTH KEYBOARD & TOUCHPAD

**For use with RealWear Navigator™ 500 Series, HMT-1, and HMT-1Z1.**

This handy folding wireless keyboard and trackpad helps eliminate the need for bringing along your tablet or clipboard into the field to enter a larger amount of text or data.

After the initial pairing process is complete, simply unfold the keyboard and it will pair automatically. Also, a mouse cursor appears like it would with a handheld Android tablet. A carrying bag and USB charging cable is included.

### The Folding Bluetooth Keyboard & Trackpad is recommended for:

- Field Operators and Field Engineers required to input or log lengthy field notes or conversations
- Where select and drag mouse/cursor functionality is needed
- Sensitive environments where speaking out loud would be inappropriate

**SKU: 171037**

### Technical Features:

- Durable aluminum body
- Portable form factor, keys are only 90% the size of any standard keys
- Pocket Size, similar size to the iPhone X Plus
- Lightweight, only 7 ounces
- 60 hours working time and 90 days standby time
- Connects up to 3 devices

SKU: 171012

## SEMI-RIGID CARRYING CASE

### For use with HMT-1 and HMT-1Z1

EVA molded case with zip closure for storing device and select accessories. Whether transporting or storing, it provides protection from the elements and from daily wear and tear. Shown with HMT-1, not included.

## PROTECTIVE CARRYING CASE

NEW

### For use with RealWear Navigator™ 500

EVA molded case designed for the RealWear Navigator™ 500 with a slimmer profile, zip closure for storing device and select accessories. Whether transporting or storing, it provides protection from the elements and from daily wear and tear. Device not included.

SKU: 127109

**REAR PAD (6-PACK)**

**For use with HMT-1 and HMT-1Z1. Intrinsically safe (IS approved) for use with the HMT-1Z1 in hazardous locations.**

Replacement for the standard cushioned pad that comes with the device and attaches to the interior band. With regular use, wear and tear of the pad is normal and may need to be replaced periodically.

**SKU: 171017**

**MICROSD CARD  
SANDISK EXTREME®**

**For use with RealWear Navigator™ 500 Series, HMT-1, and HMT-1Z1.**

Expands the HMT-1's internal storage for additional photos, videos, and applications. 64GB capacity provides an extra 8+ hours of video recording at 1080 full HD, 128GB provides an extra 16+ hours, and 256GB provides an extra 32+ hours. The card meets UHS Speed Class 3 (U3) and Video Speed Class 30 (V30) for fast capture and transfer speeds (30MB/s minimum sustained write speed and 90MB/s max read speed) and has a microSDXC form factor.

**Includes:**

- SanDisk Extreme® microSD™ Card
- SanDisk microSD to SD memory card adapter

**SKU: 171038**

## **MICROSD CARD SLOT DOOR SCREWDRIVER**

**For use with RealWear Navigator™500  
Series, HMT-1, and HMT-1Z1.**

This #00 Phillips screwdriver is required to access your MicroSD card slot to expand the memory of your device. It features a special grooved grip for your thumb and forefinger for the easy task of accessing the memory slot of the device. This screwdriver is extremely lightweight and small so you can carry it with you anywhere your device goes. If you don't already carry this screwdriver with you for your regular job, we recommend adding this to your purchase for the convenience of having it with your device specifically.
